KENSINGTON ENJOYS SHOW.

Women's Club Celebrates Completion of Eleventh Year.

The Woman's Club of Kensington celebrated the completion of its eleventh year last Friday evening by a reception and entertainment given to a small number of invited guests. These guests were, with few exceptions, the husbands of the club members, and this annual event is looked forward to by those privileged to attend.

The programme consisted of an address of welcome by the president, Mrs. J. Wilson Townsend; a song, "Garden of Roses," by Harry C. Armstrong, and several selections by Mrs. Robert Daigleish, of Washington. Mrs. Daigleish sang Tosti's "Venetian Song," "A Little Irish Girl," "Nora," "Butterfly Gay," and by request, later in the evening, a number of others.

The club gave a burlesque on their study of Shakespeare, in which a number of original features were introduced. Those taking part were Mrs. George Ashworth, Mrs. Harry C. Armstrong, Mrs. E. J. Hartshorn, Mrs. Frank Wilson, Mrs. George Mikkelson, Mrs. Frank Chapman, Mrs. Byron J. Cook, and Mrs. J. Harry Cunningham. A song to the tune of the

time-honored "Johnny Schmoker," made the "hit" of the evening.

For the drum, fife and triangle, were substituted the rolling pin, cake turner, mixing spoon, egg beater and frying pan. There were several other original songs sung by the ladies, and William Terrell set forth the woes of the men in a clever production sung to the tune of "Back to Reno."

Mrs. Cunningham was presented with a beautiful pendant and chain, by Mrs. Armstrong on behalf of the club, and Miss Annie M. Wilson received a silver handled umbrella, both presentations being made in recognition of special work done for the benefit of the club during the past.

Mrs. Cook read the Club History for the year, written in rhyme and Mr. B. W. Kunkler gave something along the same line for the guests.

The gymnasium of Warner Memorial Sunday school, where the entertainment was held, was beautifully decorated with flags, yellow and white bunting, and ferns and daisies, the club flower. Refreshments were served.

"WHEN A MAN MARRIES."

The Washington Herald will to-morrow begin the serial publication of Mary Roberts Rinehart's popular novel, "When a Man Marries."

For months this novel has been the best selling book in America. It has pleased thousands upon thousands of readers. Mrs. Rinehart has gained the position of premier writer of mystery stories.

By adding humor to mystery in "When a Man Marries," she has made a unique place for herself in American literature. In this story the element of humor runs over and becomes fairly side-splitting.

It was from "When a Man Marries" that the play, "Seven Days," was made, and it proved the biggest farce hit that has struck Broadway in twenty years.

Readers of The Washington Herald will find in Mrs. Rinehart's charming tale the most pleasing newspaper diversion they have ever had. It will be printed from day to day, and no lover of good fiction can afford to miss a chapter of it.

Indeed, once the first chapter is read, the reader will find it impossible to do without the succeeding chapters.

"It holds the interest from start to finish."
